Wanalirri School Newsletter Week 8 Term 3 2015

Dear Parents and Families, We were lucky to have Br Berkeley here last week to help solve our many computer problems. He did a great job and has prepared the bank of computers that we wish to have for community use. I would like to discuss how we can organise for when and how people can use these computers at our next School and Community meeting on Tuesday. I urge people to come to have a say. No –one came to the last meeting and we need to talk about how the community wants to celebrate the 25th anniversary of Wanalirri Catholic School.

**More visitors!**

## Evaporation!

Students conducted experiments last week about evaporation. We saw what happens to different solids and liquids when they are left in the sun. We predicted what would happen to water poured on concrete in the shade and in the sun. We predicted how fast water would evaporate from different shaped containers. And we predicted what effects colour might have on how fast water evaporates. Sherahni predicted correctly that water in a black cup would evaporate fastest. We saw that this was true. We were surprised to see that water in a yellow cup evaporated slowest.

7 Sept Playgroup TODAY!	8 Sept School Community Meeting 10.30am	9 Sept	10 Sept	11 Sept
14 Sept	15 Sept -25th anniv Photo Workshopping this week	16 Sept Playgroup 8.30- 10.00am	17 Sept Mt Barnett 25th	18 Sept Cross Country Mt Barnett

<b>Monday October 12</b> Classes resume for Term 4	13 Oct	14 Oct	15 Oct	16 Oct

**School Community Meeting: Tuesday September 8th at 10.30am.**

Focus  
on  
Junior Primary

This week in Kindy and Junior Primary, Jack and Keiran learned "Little Miss Muffet", made art with water prints, looked for BIG and small things, read lots of stories and used playdough to write their names. Travis joined us on Friday for his first day of Kindy!
