Wanalirri School Newsletter Week 10 Term 3 2015

Dear Parents and Families, Wanalirri School has had 25 students attend this term. Some every day and some for only a few days. All we ask is that community members remind new-comers and regulars that school is every day 7.00am till 1.00pm. Even some of our regular students have started to come late to school. Please help each child to have the best chance to do well.

Open Day & Mass on Thursday

Bishop Saunders and Fr Simon 10.00am

On Thursday morning at 9.30am, Open Day will be held at school. It is a chance for parents and families to see the work completed by students this term and to speak with teachers about student progress. At 10 o'clock, Bishop Saunders and Fr Simon will be concelebrating Mass for us. Mass will be held in the school classroom in air-conditioning. Students have been learning about prayer this term and will lead the singing, Penitential Rite and Prayers of the Faithful. All community members are warmly invited to attend.

School Community Meeting: Nobody has come to our last three school meetings, but you still have a chance to have your say. As we prepare for the school's 25th anniversary in 2016, we want to share some ideas for how to celebrate. One thing we are doing is collecting and organising old photos. We are going to choose some to put in a book. The book will also have comments about the school written by students, parents, families, community members, teachers and principals from the present and past. Photographer and archivist Maree Jamieson is currently here working on

the book. We want to give everyone the chance to contribute, so please come up to the school and tell Maree your memories of the school or your favourite story about the school. She will record it and it could be included in the book. She is here till Friday. Please come and share your memories.

Sharing Memories

Our school was invited to join Wananami for two special events last week. On Thursday we helped them celebrate their 25th anniversary as a school. Events included special talks, tree-planting, activities and prize raffles. On Friday we took part in Wananami's Cross Country Running Races. Dudley, Jack, Sionel, Daemon and Keiran all ran for Wanalirri School. Many medals were earned for great running. Wanalirri students behaved beautifully and were admired by the many visitors.

Thanks Wananami!
