

# Wanalirri Catholic School Gibb River Station

This text recommends PG- Parental Guidance for readers under 3 years for they might run away.

Daemon Savoia's Term 1 Newsletter

Dear family, I want to show you what I've been doing in my term. This is me working at my full potential. I'm good at spelling, writing and reading. My goal is to improve my handwriting by getting my letters consistent. I'm really proud of my batting in cricket.

## bye DALTON

This term a fine leader said "farewell". Dalton has gone to St. Johns School, Darwin for high school.

**I attended 100 % this term.  
That means 43 out of 43 days.**

## you little rat

We've had a lot of weird things this term, including a rat in the toilet! We found him in the boys' toilet so we called him John.

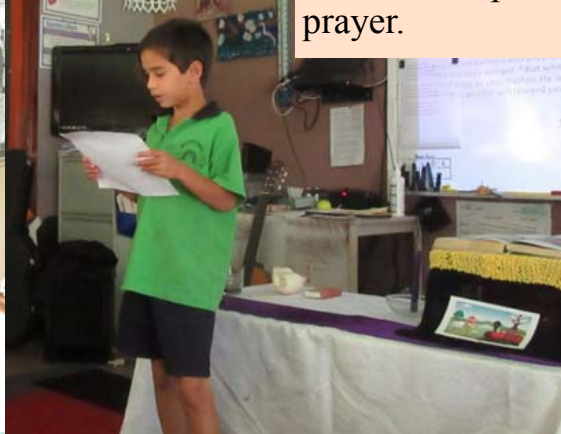

**We are the  
Wanalirri  
Master  
Chefs.**

## Art art glorious art,

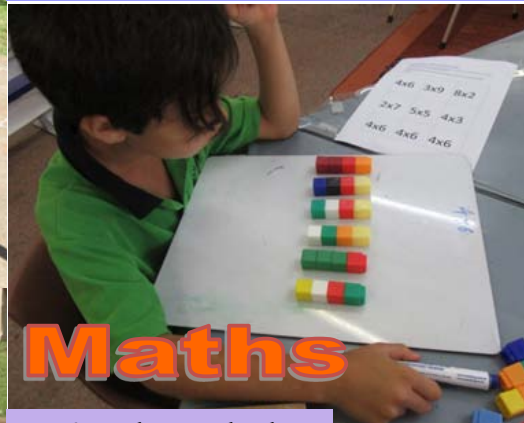

# Religion

This term we raised \$150 dollars for Caritas by doing jobs around the school. I read the Gospel at our Ash Wednesday prayer.

# Sport

When we do sport we are really refreshed.

We like to do brain breaks especially the one where you need to touch the ground with only 2 or 3 arms and legs. You have to work as a team.

# Maths

Maths is a very good time. It's a time that you can learn.

We've been helping the rangers planting seedlings.

Fat goanna = happy boys.
