Wanalirri School Newsletter Week 2 Term 2 2017

Dear Parents and Families, Welcome back to the new school term. There have been lots of changes with many new students enrolled. It helps to keep the school strong and gives the children a chance for an excellent education here in their own community. I ask all community members to help every child to attend school every day. We all know students come and go, so you can help them make the most of this wonderful chance while they're here.

Thanks for showing us how to plant trees Daniel!

100% Attenders Week 1
Sionel, Zukhan, Daemon & Keiran

See how we've changed!

Wanalirri Catholic School is responsive to an ever-changing student population. In Term 1, Keiran was all alone as the sole Kindy student at WCS. This term, he finds himself in a class of four other Kindy students, a Pre-Primary and a Yr 1. Naturally enough, we have adopted an Early-Childhood focus which you may notice in the newsletter.

Prayers and Assembly each Friday 9.30am

The most important reason to come to Assembly on Friday is to see the children's work and help them celebrate their efforts. The students are always excited at Assembly time and love having family members come to listen to them read, see their work, watch them dancing or singing, or to enjoy something good to eat from Friday Cooking. During May Friday's Assembly will be held at the Grotto at 9.30am. You can join us every other day for prayer at the Grotto at 8.30am.

And the bigger kids managed to start a compost heap for our school garden.
