Ely's Newsletter Term 1 2017

Dear Parents and Families, this is my newsletter to show my work this term. I've enjoyed my terms with doing cooking tracing, bones art, and my water art. And I even enjoyed the working bee with everyone in the community. We did some raking up, blowing, mowing, whipper snipping and washing the windows. It's been a great term publishing my writing and I had a good time with the ranger talk with transplanting little plants with Daniel.

Wanalirri students "Project Compassion" fund-raiser. I like doing things that are so cool like these picture and I like to dress up as a chef. I even like making guns with old pieces of iron and little round things to make a scope.

religious education

Art

The class had to look at the internet for car pictures so we could do tracing or half picture drawing. I chose the half picture drawing because I wanted to see how good I am at drawing.

We do cooking every Friday morning. I like it because it has great smells. We made biscuits, cakes, pasta, pies, scones and pancakes. Those are the good times that I have had in school with my friends.
