Keiran Savoia Newsletter Term 1 2017

Dear Parents and Families, I would like to show you some of the work I've done this term. I like school because it gets fun. I really like sport and playtime. My favourite thing at school is working with numbers. When I grow up I want to be a doctor like Mary-Jane and Aunty Helen. I like writing about dogs, cats, kangaroos, bunny rabbits and bulls.

This term I've been reading Funny Fish, Hunting For Tadpoles, Amazing Flies and other great books. I am a good reader and I like reading funny books and books about bunny rabbits.

Reading

Term 1 Attendance: 43/43 days=100%
I came to school every day this term!

Counting Words Writing

I counted up to 100. I know that 10 hundred is 1000. I love counting.

I've been learning lots of words this term. I can write some words.

We were writing about a running race. All the kids crashed and I raced past and won the race.

Brain Breaks Religion

We have Brain Breaks every day. Daemon, Quinceton and I had to work together to stand on two legs. Sometimes we blow feathers off the ground, or follow instructions to find something hidden, or even do our favourite dances. Mine is the Chicken Dance.

On Ash Wednesday, Ely and Quinceton read a prayer and I said the words, "His love continues forever!" I did a very good job.

This term I caught some tadpoles in the creek. I kept them in the staffroom and fed them with green weed. Some of the tadpoles grew legs and became frogs. I let them go again back home in the creek.

Artwork

I did lots of Art this term. I drew faces, made animals with bones, used mud to copy an animal, and used grass and sand to make pictures.

My favourite was drawing my Supercar. I used window tracing to draw it. It looks awesome.
