Keiran shows Mr Dean how to use a Green Machine.

Wanalirri Catholic School is very grateful to the **State Government of WA** and the **Kimberley Development Commission** for the allocation of \$5000 of grant money for resources and equipment. The money has been spent on the purchase and set-up of 9 "infinity" touch-screen computers. Thanks are also extended to **Br Berkeley** who spent many, many hours ensuring the machines were configured to work well with our server, satellite internet connection and wi-fi.

Green Machines are GO!

SciTech Visit

Assembly

Congratulations to Sionel for completing Reading Eggs and moving on to Reading Express.

At our St Mary MacKillop prayer on Tuesday, the Juniors showed their beautiful colouring.

PIZZA

Sionel flattened the dough and sliced the capsicum. Keiran spread the sauce. Daemon arranged the ingredients...

...and Airimiz turned pizza into a percussion instrument!

LEFT: Sarah started work with us recently, and Sonya has been helping Kiara fit in.

Prayers and Assembly each Friday 9.30am

The most important reason to come to Assembly on Friday is to see the children's work and help them celebrate their efforts. The students are always excited at Assembly time and love having family members come to listen to them read, see their work, watch them dancing or singing, or to enjoy something good to eat from Friday Cooking. Thanks to Sarah and Aiden for joining us for last Friday's assembly. We all enjoyed the pizzas.
