Wanalirri School Newsletter Week 1 Term 4 2017

Dear Parents and Families, a bit of rain in the past week has really freshened things up. The new term is a chance to start afresh and give children some regular time at school. So even if kids haven't been to school much so far this year, give them a great early Christmas present of happy school days to remember.

Our last excursion in Term 3 involved raft-building and making human crumbed sausages.

Term 3 Attendance

100% Daemon and Keiran

90% Sionel

50% EW & JJ

all others below 50%

Please help us achieve a 90% attendance rate in Term 4. Every student deserves the chance for the great education Wanalirri Catholic School can provide.

At our last assembly in Term 3, children performed movement to the prayer of St Theresa of Avila- "Christ Has No Body Now But Yours". Tanya was there to see the beautiful performance and to see all her grannies receive certificates for their good work.

WANALIRRI CATHOLIC SCHOOL TERM 4 2017

Maths and Science classes at work: Students have been learning about physical sciences. They looked at forces that effect movement by finding objects that roll and those that don't roll, as well as objects that float and those that don't. Students also made predictions about the movement of heat through different materials. In Maths, Junior students counted by fives and used finger painting to make 5s posters.

The most important reason to come to Assembly on Friday is to see the children's work and help them celebrate their efforts. The students are always excited at Assembly time and love having family members come to listen to them read, see their work, watch them dancing or singing, or to enjoy something good to eat from Friday Cooking. We have an assembly every Friday at about 9.30am. Children will come home to remind you at the time. Hope to see you this Friday!
