Wanalirri School Newsletter Week 2 Term 3 2018

**Dear Parents and Families,** What a topsy-turvy year we've had to date! Fourteen different students have attended school, but only two have remained in the community for more than a few weeks. Many parents recently made a commitment to Bishop Saunders to make sure their children returned to the community, so we look forward to that. Please remember, whatever the numbers, everyone is welcome as always. And don't forget our weekly Assembly and school meeting- every Friday at 9.30am. Come and see the kids learning happily!

## My First Communion

Congratulations to Daemon for receiving Jesus for the first time in the Sacrament of Communion. He travelled with his family to Kalumburu during the recent school holidays where Fr Simion, Mission volunteers and community members helped him celebrate.

Right: Our Lady's parishioner Seraphim and Daemon's brother Keiran celebrate with him. Far right: Fr Simion Mutai presents a certificate to Daemon.

## Always Welcoming

We were very happy to welcome back Travis and Sherahni last week, and thanks to Rachael for helping them get to school every day.

We attended every day!

## What's cooking at Wanalirri?

Cooking is an important, and enjoyable, part of the curriculum at Wanalirri. Students cook each Friday as part of their studies in Design and Technology and also to integrate learning in other subject areas. Our Health focus on fruit and vegetables and their benefits saw a visit to the garden and learning some simple steps to preparing fresh, healthy vegetables.

Take some fresh, garden vegies. Slice them, dice them, chop them and cook them for a healthy, hot lunch on the go!

From mixture to morning tea in under 20 minutes.
