Wanalirri School Newsletter Week 3 Term 4 2018

Week 1 - 3

100% Attenders

Every student deserves the chance every day for the great education Wanalirri Catholic School can provide.

Dear Parents, Families and Friends,

A bit of photo-copier trouble has meant we haven't been able to print a newsletter this term, so this week is a collection of news from the holiday period and the past few weeks of school. It's fantastic that we've started the term with excellent attendance from all 9 students, and 100% from 7 of them. Thanks to families for making this possible.

ABOVE: Dalton and Ely dropped by for a visit before returning to St John's College in Darwin.
RIGHT: Staff visited Alfie and Nancy in Perth and passed on stories and cards from the students. Nancy is pictured with Quinceton's card and stories.

LEFT: Renee, Richard and Jo from CAMHS worked with staff and students this week.
RIGHT: Sherahni demonstrates the best way to keep cool and take a break in the heat of the build-up.

Chemistry Is Right @ Wanalirri

Students are this term enjoying chemical science investigations. They combined a range of substances with water to see which would form a solution. They then used heat to try to release the substances from their solutions. We got our sugar back, we got our salt back, but instead of getting our flour back, we made a pancake! Sometimes science is interesting AND delicious.

LEFT & RIGHT: Helen and Jarred show the dream-catchers they made in Craft with Miss Michelle.

BELOW RIGHT: We had a visit from a very glamorous Princess.

LEFT: Jarred was remembering the sound "r" makes and Mackaillyn was collecting things that are **yellow**.
